FRANK FRANCO

BIO

Since his childhood he was very curious about music, performing on several instruments, mainly the piano. He acquired a taste for electronic music and particularly for Trance, with time he has started venturing into underground genres such as Tech House and Melodic Techno. His style is a Tech House, with melodic elements and many percussions influenced by artists like Green Velvet, Dennis Cruz, Eskuche and others. Since 2014 he has performed on major venues in his hometown such as Salon Amador, Baren, Mosquito, Teatro Victoria, among others.
